Dear Mr. Carter:

This letter is in reference to the Gardner Canyon Mine, S/023/015, in Juab County, Utah. As part of a litigation settlement, the Forest Service is requesting that you do not include the access road from the USFS boundary to the Gardner Canyon Gypsum Mine in your calculations of surface disturbance.

I would appreciate your response to this request by May 17, if possible. My fax number is (801)342-5272.

If you have any questions, please give me a call at (801)798-3571.

Sincerely,

THOMAS L. TIDWELL
